# THE MOMENT

Captured in time, united in a single voice.  
Waiting to shine, to sing together is our choice.  
There's something in the atmosphere, a feeling in the air,  
Now we can say the day is here and everyone can share.  
Oh.

United in song, together all across the land.  
Waiting so long, we'll bring to life what we have planned.  
I think that I can hear it now, a new wave crashing through,  
It's reaching out to everyone, can you feel it too?

This is the moment that we've been waiting for,  
So let your voices ring out loud.  
And we know it's gonna be a treasured memory;  
Sing it long, sing it strong, sing it proud!

# THE MOMENT cont...

This is the moment.  
This is the moment.

We won't rest until we've reached our destiny  
To be the best and take our place in history.  
The world can be a lonely place when things are going wrong  
But when we sing in unison, it feels like we belong.

This is the moment that we've been waiting for,  
So let your voices ring out loud.  
And we know it's gonna be a treasured memory;  
Sing it long, sing it strong, sing it proud!

Come on, sing it now.

# THE MOMENT cont...

## **PART 1**

Come on, sing it with all your heart!  
It really doesn't matter who you are.  
'Cos under the surface, we're all the same.  
Young Voices is what we're all about.  
So take a deep breath and let it out.  
Let it out!

## **PART 2**

Anyone at all can play a part.  
And everybody here is a shining star,  
And we're all united under just one name,  
So take a deep breath and let it out.  
Let it out!

# IN THE MOOD

Mister Watchacall'im, whatcha doin' tonight?  
Hope you're in the mood because I'm feelin' just right.  
Your feet were so heavy till they hardly could move,  
Now they're light as feathers and you're right in the groove.  
You were only hungry for some musical food,  
You're positively absolutely in the mood!

Sister Watchacall'im, I'm indebted to you.  
It all goes to show what good a new hit could do!  
Never felt so happy and so fully alive,  
It seems that jammin' jumpin' is a powerful jive!  
Swingaroo has given me a new attitude,  
My heart is full of rhythm and I'm in the mood!

## IN THE MOOD cont...

In the mood, that's it, I've got it!  
In the mood! Your ear will spot it!  
In the mood, oh, what a hot hit!  
Be alive and get the jive, you've got to learn how.

Hep, hep, hep! Hep like a hepper!  
Pep, pep, pep! Hot as a pepper!  
Step, step, step! Step like a stepper!  
From jammin' to jumpin', we're in the mood now!

### *Instrumental*

Ooh, ee, ooh.

Ooh, ee, ooh.

Ooh.

# WALKING MEDLEY

## Lambeth Walk

Any time you're Lambeth way, any evening, any day,  
You'll find us all doing the Lambeth walk. Oi!  
Every little Lambeth gal with her little Lambeth pal,  
You'll find 'em all doin' the Lambeth walk. Oi!

Everything free and easy, do as you darn well please-y.  
Why don't you make your way there? Go there, stay there!  
Once you get down Lambeth way, every evening, every day,  
You'll find yourself doin' the Lambeth walk.

Everything free and easy, do as you darn well please-y.  
Why don't you make your way there? Go there, stay there!  
Once you get down Lambeth way, every evening, every day,  
You'll find yourself doin' the Lambeth walk. Oi!

### **These Boots Are Made for Walkin'**

You keep saying you've got something for me.

Something you call love but confess.

You've been messin' where you should-na been messin'.

And now someone else is gettin' all your best.

These boots are made for walkin' and that's just what they'll do.

One of these days these boots are gonna walk all over you!

# WALKING MEDLEY cont...

## **Walking on the Moon**

Walking back from your house, walking on the moon.

Walking back from your house, walking on the moon.

My feet, they hardly touch the ground, walking on the moon.

Feet don't hardly make no sound, walking on, walking on the moon.

Some may say I'm wishing my days away.

No way. And if it's the price I pay,

Some say tomorrow's another day.

You'll stay, I may as well play.

## Walk of Life

Here comes Johnny singing oldies, goldies  
“Be-Bop-a-Lula”, “Baby, What I Say!”  
Here comes Johnny singing “I Gotta Woman,”  
Down in the tunnels, tryin’ to make it pay.  
He got the action, he got the motion,  
Oh yeah, the boy can play!  
Dedication, devotion,  
Turning all the night time into the day.

He do the song about the sweet lovin’ woman,  
He do the song about the knife.  
He do the walk, he do the walk of life,  
Yeah, he do the walk of life.

## **Walk the Dinosaur**

Boom, boom, acka lacka lacka boom.  
Boom, boom, acka lacka boom, boom!  
Boom, boom, acka lacka lacka boom.  
Boom, boom, boom!

It was a night like this, forty million years ago.  
I lit my favourite torch, picked up my monkeys, got to go.  
I heard the sound of drums, don't know where they were from,  
Wherever it was, it started a buzz and now I'm having fun.

Everybody, walk the dinosaur, you can do it, do the dinosaur.  
Put your back into it, do the dinosaur, don't be shy, do the dinosaur!

# WALKING MEDLEY cont...

Open the door, get on the floor, everybody walk the dinosaur.  
Open the door, get on the floor, everybody walk the dinosaur.  
Open the door, get on the floor, everybody walk the dinosaur.  
Open the door, get on the floor, everybody walk the dinosaur.

Boom, boom acka lacka lacka boom.  
Boom, boom acka lacka boom, boom!

## Walking on Sunshine

I used to think maybe you loved me, now, baby, I'm sure.  
And I just can't wait till the day when you knock on my door.  
Now every time I go for the mailbox gotta hold myself down.  
'Cos I just can't wait till you write me you're coming around.

I'm walking on sunshine, woah!  
I'm walking on sunshine, woah!  
I'm walking on sunshine, woah!  
And don't it feel good? Hey!

Alright now, and don't it feel good?  
I'll say it, I'll say it, I'll say it again now,  
And don't it feel good? Alright now, and don't it feel good?  
Now don't it, don't it, don't it, don't it, don't it, don't it feel good?

## Naughty

Jack and Jill went up the hill to fetch a pail of water,  
So they say, the subsequent fall was inevitable.  
They never stood a chance, they were written that way.  
Innocent victims of their story.

Like Romeo and Juliet, 'twas written in the stars before they even met  
That love and fate and a touch of stupidity would  
Rob them of their hope of living happily.  
The endings are often a little bit gory.  
I wonder why they didn't just change their story.  
We're told we have to do what we're told, but surely  
Sometimes you have to be a little bit naughty.

## MATILDA MEDLEY cont...

Just because you find that life's not fair, it  
Doesn't mean that you just have to grin and bear it.  
If you always take it on the chin and wear it,  
Nothing will change.

Even if you're little, you can do a lot, you  
Mustn't let a little thing like little stop you.  
If you sit around and let them get on top, you  
Might as well be saying you think that it's okay,  
And that's not right!

# MATILDA MEDLEY cont...

## School Song

And so you think you're **A**ble to survive this mess by  
**B**eing a prince or a princess; you will soon (**C**)see there's no escaping trage**D**y.  
And **E**ven if you put in heaps of e**F**fort, you're just wasting ener**G**y  
'Cos your life as you know it is "aitc**H**"cient history.

I have suffered in this **J**ail. Have been trapped inside this  
(**K**)Cage for ages, this living 'e**L**. But if I try, I can reme**M**ber,  
Back before my life had e**N**ded, before my happy days were  
**O**ver, before I first heard the **P**ealing of the bell.

# MATILDA MEDLEY cont...

Like you I was (**Q**)curious, so innocent I (**R**)asked a thousand questions  
But unle**S**s you want to suffer, listen up and I will **T**each you a thing or two.  
Yo**U**, listen here, my dear, you'll be punished so se**V**erely if you step out of line, and if you  
cry it will be  
(**W**)Double, you should stay out of trouble and remember to be e**X**tremely careful.

(Wh**Y**?) Why?

*Spoken: Why? Why? Did you hear what we said?*

Just you wait for Phy**Z**ed!

## **When I Grow Up**

When I grow up,  
I will be tall enough to reach the branches  
That I need to reach to climb the trees  
You get to climb when you're grown up.

And when I grow up,  
I will be smart enough to answer all the  
Questions that you need to know the  
Answers to before you're grown up.

And when I grow up, I will eat sweets every day  
On the way to work and I will go to bed late every night.  
And I will wake up when the sun comes up and I  
Will watch cartoons until my eyes go square,  
And I won't care 'cos I'll be all grown up,  
When I grow up.

## MATILDA MEDLEY cont...

When I grow up, (when I grow up,  
When I grow up,  
I will be brave enough to fight the creatures  
That you have to fight beneath the bed  
Each night to be a grown up.  
And when I grow up, (when I grow up,  
I will have treats every day,  
And I'll play with things that mum pretends that  
Mums don't think are fun.  
And I will wake up, (and I will wake up)  
When the sun comes up and I  
Will spend all day just lying in the sun,  
And I won't burn 'cos I'll be all grown up.  
When I grow up.

## **My House**

For this is my house.

This is my house,

It isn't much but it is enough for me.

This is my house, this is my house.

It isn't much but it is enough for me.

## Revolting Children

Whoa!

Never again will she get the best of me.

Never again will she take away my freedom.

And we won't forget the day we  
Fought for the right to be a little bit naughty!

Never again will the chokey door slam.

Never again will I be bullied and

Never again will I doubt it when

My mummy says I'm a miracle!

Never again will we live behind bars,

Never again, now that we know

## MATILDA MEDLEY cont...

We are revolting children living in revolting times.  
We sing revolting songs using revolting rhymes.  
We'll be revolting children till our revolting's done  
And we'll have the Trunchbull bolting, we're revolting!

We are revolting children living in revolting times.  
We sing revolting songs using revolting rhymes.  
We'll be revolting children till our revolting's done.  
It is 2 L8 4 U, WE ARE REVOLTING!

# MOANA MASHUP

## **How Far I'll Go**

I've been staring at the edge of the water  
Long as I can remember,  
Never really knowing why.  
I wish I could be the perfect daughter  
But I come back to the water,  
No matter how hard I try.

Every turn I take, every trail I track.  
Every path I make, every road leads back  
To the place I know where I cannot go,  
Where I long to be.

## MOANA MASHUP cont...

See the line where the sky meets the sea, It calls me  
And no one knows how far it goes.  
If the wind in my sail on the sea stays behind me,  
One day I'll know  
If I go, there's just no telling how far I'll go.

I know everybody on this island  
Seems so happy on this island,  
Everything is by design.  
I know everybody on this island  
Has a role on this island,  
So maybe I can roll with mine.

## MOANA MASHUP cont...

I can lead with pride, I can make us strong.  
I'll be satisfied if I play along  
But the voice inside sings a different song,  
What is wrong with me?

See the light as it shines on the sea:  
It's blinding  
But no one knows  
How deep it goes.  
And it seems like it's calling out to me,  
So come find me  
And let me know  
What's beyond that line?  
Will I cross that line?

## MOANA MASHUP cont...

### **We Know the Way**

Aue! Aue!

Nuku i mua.

Te manulele e tataki e.

Aue! Aue!

Te fenua te malie.

Nae ko hakilia kaiga e.

We read the wind and the sky

When the sun is high.

We sail the length of the seas

On the ocean breeze.

At night we name every star,

We know where we are.

We know who we are,

Who we are.

# MOANA MASHUP cont...

Away, away,  
We set a course to find  
A brand new island everywhere we roam.

Away, away,  
We keep our island in our mind  
And when it's time to come home,  
We know the way!

## **PART 1**

See the line where the sky meets the sea,  
It calls me  
And no one knows how far it goes.  
If the wind in my sail on the sea stays  
behind me,  
One day I'll know  
How far I'll go!

The Gospel train's a-comin',  
I hear it close at hand.

Joshua fit the battle of Jericho,  
Jericho, Jericho.

Joshua fit the battle of Jericho  
And the walls came tumbling down.

Well, you can talk about your men of Gideon.  
You can talk about your men of Saul.  
But there's none like good old Joshua  
At the battle of Jericho.

## GET ON BOARD cont...

Right up to the walls of Jericho,  
He marched with spear in hand.  
“Go blow that Ram Horn”, Joshua cried,  
’Cos the battle is in my hand.

Oh, Joshua fit the battle of Jericho,  
Jericho, Jericho.

Joshua fit the battle of Jericho  
And the walls came tumbling down.

Joshua fit the battle of Jericho,  
Jericho, Jericho.

# TODAY IS GONNA BE A GREAT DAY

There's a hundred and four days of summer vacation  
Till school comes along just to end it.  
So the annual problem for our generation  
Is finding a good way to spend it.

Like maybe building a rocket, or fighting a mummy, or climbing up the Eiffel Tower.  
Discovering something that doesn't exist, or giving a monkey a shower.  
Surfing tidal waves, creating Nanobots, or locating Frankenstein's brain.  
Finding a Dodo bird, painting a continent, or driving your sister insane!

# TODAY IS GONNA BE A GREAT DAY cont...

This could possibly be the best day ever.  
And the forecast says that tomorrow will likely be  
A million and six times better,  
So make every minute count, jump up, jump in and seize the day.  
And let's make sure that in every single possible way,  
Today is gonna be a great day!

Crossing the Tundra, or building a rollercoaster, skiing down a mountain of beans!  
Devising a system for remembering everything or synchronising submarines.  
Racing chariots, taming tiger sharks, constructing a portal to Mars.  
Building a time machine, stretching a rubber tree, or wailing away on guitars.

# TODAY IS GONNA BE A GREAT DAY cont...

This could possibly be the best day ever.

Today is gonna be a great day!

Hey! Hey! Hey! Hey! Hey! Hey! Hey!

Let's put our heads together and design a master plan.  
We may miss dinner but I know mum'll understand.

Ooh!

Wrap me up in diamonds, cover me in gold.  
But nothing they could buy me made my heart whole.  
I'd given up on romance, then I found you.  
Ain't it crazy what love can do?  
Crazy what love can do.

Can someone tell me what is happening to me?  
You're my oxygen, now I can finally breathe.  
Didn't care for anyone until there was you.  
Ain't it crazy what love can do?  
Crazy what love can do.

Doo, doo doo, doo doo, doo doo doo doo doo doo

Doo doo doo do.

Doo, doo doo, doo doo, doo doo doo doo doo doo

Doo doo doo do.

You bring me summer every weekend,

Like a rooftop in L.A.

When it heats up in the evening,

You cool me off like lemonade.

So don't go changing like the seasons,

'Cos you're perfect in every way,

Babe, you got a love that's world-beating.

If you go running, I'd lead your campaign.

You can wake me up,  
You're the caffeine in my coffee cup  
And like a shooting star, you light me up. Hey, you're amazing.

'Cos we all need somebody,  
Even lonely hearts need somebody,  
So before this love leaves your body, Give it away.  
So if you've got somebody,  
Let them know that they're your somebody,  
Little love never hurt nobody. Hey!

You use your light and shine it like crazy,  
We got one life, let's make it amazing.  
I love you, babe, you know that ain't changing,  
You got, you got somebody who loves ya!

### Shine

Let's keep it wheelin', say how you feelin',  
Like you got the whole world behind ya.  
And break all the rules, oh, love who you choose,  
Just make sure it's love that lights your fire.

Yes, you gotta let love lead you,  
And you gotta let love shine through.

Oh, shine.

Oh, shine.

Oh, shine.

Oh, shine.

Oh, shine.

Oh, shine.

Oh, shine.

Oh, shine.

### **A Sky Full of Stars**

'Cos you're a sky, 'cos you're a sky full of stars.

I'm gonna give you my heart.

'Cos you're a sky, 'cos you're a sky full of stars.

'Cos you light up the path.

I don't care, go on and tear me apart,

I don't care if you do, ooh.

'Cos in a sky, 'cos in a sky full of stars,

I think I saw you.

### **Hearts Upon Our Sleeve**

Oh,  
Oh,  
Oh.

We wear our hearts upon our sleeve.

There's a part of my heart that you'll never change.

There's a dream so alive, it's an endless flame

And you can't keep us down 'cos we'll always come back again.

For the highs and the lows, for the rise and falls,

And the times that you thought you've given your all.

For the night and the dream and those moments you'll never get back again.

'Cos the world is at our feet.

## POP MEDLEY cont...

'Cos we've been through a thousand heartbreaks  
But you know we still believe.

We wear the same shirts as our fathers  
And our hearts upon our sleeve.

Don't stop us now we've started,  
'Cos there's no one we can't beat.

We wear the same shirts as our fathers  
And our hearts upon our sleeve.

Oh

Oh

Oh

We wear our hearts upon our sleeve.
