

Achieving
Belonging
Caring

Is your child starting school in September 2027?

Bleasby CofE Primary is at the heart of our village, surrounded by beautiful countryside and wonderful grounds. We welcome children aged 4-11, valuing each as a unique individual and encouraging them to flourish through our ABC values:

Achieving – our creative, well planned curriculum and exciting extra-curricular activities

Belonging – to our school family, built on friendship and respect

Caring – nurturing compassion and fostering a strong sense of service and community

We also offer pre-school provision (F1), offering a gentle, nurturing start for children turning 4. These are fun, well-supported sessions with flexibility to suit family needs.

Come along, meet the Early Years Team and find out more about our friendly, inclusive village school at our open event on Tuesday 30th June 4:00-6:00pm
