

Achieving

Belonging

Caring

Is your child starting school in September 2027?

Bleasby CofE Primary is at the heart of our village, surrounded by beautiful countryside.

We welcome children 4-11 years, valuing each as a unique individual
and encouraging them to flourish through our ABC values:

Achieving – our creative, well planned curriculum and exciting extra-curricular activities

Belonging – to our school family, built on friendship and respect

Caring – nurturing compassion and fostering a strong sense of service and community

We also offer Early Years (F1) provision, offering a gentle, nurturing start for children rising 4, with flexible sessions to suit family needs.

**Come along, meet the Early Years Team and find out more at our friendly,
inclusive village school open event on
Tuesday 6th October/Tuesday 17th November 4:00-6:00pm**
