

Bleasby CE Primary School Sports Funding Strategy

Funding Allocation - £17,140.00

Purpose of Funding:

- To develop and add to the PE and sport activities that Bleasby CE Primary School already offers.
- To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.
- To extend physical activity beyond PE sessions and into the wider curriculum
- To increase the participation in extra-curricular sport and physical activities by those who are currently less active.
- To provide opportunities for sports leaders to further develop their leadership skills.
- To engage younger children with a range of sports and physical activity as they join the school.

Key achievements to date:

- Wide range of extra-curricular sport provided (netball, football, hockey, rugby, basketball, tennis, boot camp, athletics, dance, forest school, cricket, orienteering, rounders) with high level of engagement from all ages and both boys and girls.
- Participation in football and netball leagues and tournaments – including winning the regional year 3/4 football tournament.
- Matches hosted at school.
- Engagement with coaching companies & Forest School to provide a range of activities at lunchtimes and after school.
- Nearly all year 6 pupils are competent swimmers and able to swim 25m (front and back)
- A variety of taster sessions arranged to engage children in a wide variety of different sports.
- Good range of equipment available at breaktime and provided/organized by young leaders
- Good range of equipment used daily by foundation stage children to keep them active and develop motor control, balance and coordination – updated to include new coordination and balance equipment this year.
- Forest school sessions experienced by children over the year.
- Orienteering engaged in by all age groups.
- Part-time coach enlivens activity at breaktimes with a focus on girls' engagement in sports, as well as preparing children for matches, tournaments and events. They also make the link between well-being, positive behaviour and physical activity.

Bleasby CE Primary School Sports Funding Strategy

Areas for further improvement and targets:

- School coach to train both teaching and lunchtime staff.
- Attend more sporting events with the assistance of our new part-time coach.
- Encourage the use of orienteering in link with class enquiries.

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

	Actions to achieve:	Intended outcome	Evidence and impact	Funding Allocated	Sustainability and next steps
Teachers enabled to lead 1 PE session, with the coach leading the second (2 separate hour lessons in the week rather 1 two hour).	New PE leaders to give training to staff.	Coach teaches each class 1 hour's lesson per week. Teachers teach each class 1 hour's lesson each week.	All children received PE twice per week. Teachers able to teach confidently using scheme, having identified areas they preferred to teach.	School resources used.	In Spring 2026, moving from one coach to new coach employed by school. Observation & evaluation of PE teaching. Targeted training from coach & PE lead.
Wider range of activities offered after school	Increase offer given by coaching companies, subsidising cost. Review take up – alter offer to ensure max range of children. Encourage staff to lead a club/support competitions.	More children of all ages and genders taking part in after school clubs	All clubs had high level of take up: dance, football, rounders, netball, cricket & forest school attracted different groups of children. Teachers were involved in after school sport including netball and rounders (no charge to chn). By offering all sessions subsidised rather than some free and some full	External coaching = £4,466.50	Subsidised clubs to continue with on-going review. Review hired coaches for best development for all children.

Bleasby CE Primary School Sports Funding Strategy

			cost, children were able to attend more clubs per week.		Partake in Athletics and swimming gala where possible.
Activity levels at breaktimes and lunchtimes increased and extended to wider group of children.	New cohort of sports leaders trained with regular meeting with PE leader. New, wider range of equipment purchased Rota for different areas of playground & field drawn up. Sports coach leading lunch time clubs – regularly girls football/rugby to encourage all to participate.	All ages of children able to engage in physical activity every break time.	When the field not flooded, all children had daily access to football & trim trail areas. Engagement with football very positive – especially with more girls being involved. Range of equipment out on a rota by sports leaders accessed well by younger children. KS2 girls have engaged well with lunch time rugby and football clubs.	New sports equipment = £5,168.78	Issue of transferring between two separate sports coaches. Train new P.E coach to lead new Y6 sports leaders successfully for the next academic year again.
Teachers are able to use orienteering across the curriculum to increase physicality in other lessons,	Teachers to use orienteering package during P.E or linking to other subjects.	Teachers are able to use the orienteering material both for PE and to make other lessons more physical.	Classes have used orienteering during P.E sessions during the year.	£500 annual membership	Further training and reminders that this can be incorporated into other lessons. Future CPD for staff.
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement					
	Actions to achieve:	Intended Outcomes	Evidence and Impact	Funding allocated	Sustainability and next steps

Bleasby CE Primary School Sports Funding Strategy

Sporting achievements celebrated during Collective Worships (Rainbow and Achievement)	Sports reports in Rainbow worship. Sports starts of the week. Class achievements in sport also.	Sport is linked to our ABC values & celebrated. Younger children inspired to become involved	Children's reports very well delivered and received. Worship leaders reporting on sports stars of the week. Y3/4 football team greatly celebrated for their achievements in their annual tournament.	School resources	With the new academic year, encourage the new sports leaders to look out for sports stars of the week. Aim for a termly sports collective worship also.
To share successes with the wider community	Results of matches and special sporting occasions in school to be posted on social media. Section for sport updates to be included in fortnightly newsletter.	Children and parents aware of what is happening in sport & physical activity at school.	Posts on X and Instagram of match results and other physical activity (eg residential, sailing, sports week) Y3/4 football team greatly celebrated for their achievements in their annual tournament – shared to local newspapers.	School resources	Time to coordinate photos and write reports limited success. To be included in employed coach and PE lead's targets this year, as we have swapped coach. More regular posting onto social media of sports matches and tournaments attended.
Walk to School Week	Publicise and encourage walking to school in this week Organise for 2 local businesses to provide distant carparks for those who need to drive.	Parents and children active together	Many children enjoyed partaking in this in FS, KS1 and LKS2.	Living Streets resources £67.50	Would be good to extend this and to be able to make a legacy of parents and children walking. Work on engagement for UKS2.

Activity levels at breaktimes and lunchtimes increased and extended to wider group of children.	New cohort of sports leaders trained with regular meeting with PE leader. New, wider range of equipment purchased Rota for different areas of playground & field drawn up. Sports coach leading lunch time clubs – regularly girls football/rugby to encourage all to participate.	All ages of children able to engage in physical activity every break time.	When the field not flooded, all children had daily access to football & trim trail areas. Engagement with football very positive – behaviour/H&S issues lower than previous years Range of equipment out on a rota by sports leaders accessed well by younger children. KS2 girls have engaged well with lunch time rugby and football clubs.	Accounted for in previous section	Issue of transferring between two separate sports coaches. Train new P.E coach to lead new Y6 sports leaders successfully for the next academic year again.
Outdoor and adventurous activities increased	Forest School continued but extended to a preschool and after school club Orienteering course subscription extended Garden & Grow club offered in school for free Enquiry based on the environment giving more scope for outdoor learning including walking & gardening 2 residentials and a sailing visit.	Children able to engage with the natural environment. Physical activity outside of breaktimes and PE lessons, supporting wider learning	All children spent time outdoors beyond PE sessions. Older children were able to engage in a wide range of outdoor pursuits. Extra forest school sessions to meet specific needs. Classes were able to visit new outdoor garden areas and contribute themselves.	Sailing = £220 Subsidised forest school sessions = £3,960	Continue with forest school sessions, weekly garden & grow.
Sports Week to engage all children in a broad range of activities	PE lead to receive time to plan a programme of activities. Some activities to be with outside providers, others led by teaching staff.	Children exposed to a broad range of activities	Children enjoyed sports week. This year, more outside providers joined, giving more opportunities to be exposed to new sports. Staff found the updated timetable easy to follow and supported their class well.	Zorbing = £450 Goal Kick = £150	Use of teachers and providers a continued positive. Consider outside activities for younger ages more.

Bleasby CE Primary School Sports Funding Strategy

			Children and families contributed to charity and school funding with the Bounceathon activity.		
Key indicator 5: Increased participation in competitive sport					
	Actions to Achieve	Intended Outcomes	Evidence and Impact	Funding Allocated	Sustainability and Next Step
To enter a range of competitions	Enter the annual football and netball leagues and tournaments. Attendance of swimming gala, cross country and athletics.	Pupils can play in a competitive manner against other schools. Visit other schools and facilities to experience sporting competitions. Also to host matches and entertain other schools at our facilities. To allow the children to access a range of competitive sports to a high level and to showcase their abilities, To have a range of sports on offer to enable a large number of children to represent the school and feel the pride of wearing the schools sports kit.	Good results in both leagues and tournaments. Able to partake in the girls' football league once again. Especially well done to Y3/4 football team winning the annual football tournament! Unable to attend other events due to staff changes.	N/A	Has been more challenging this year due to the loss of our own employed sports coach and swapping of new coaches. Two teachers work with the football and netball teams. New school-employed Coach to lead training for football and netball matches.

Bleasby CE Primary School Sports Funding Strategy

Total spent: £18,970.64

Each child should be able to swim a minimum of 25m by the time they leave the school in year 6.	
Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	95%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	95%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
